

LA CARTA DE BEBIDAS

If you can't already tell, we love everything to do with Spain! From the Chorizo we source from a small family producer in Getaria to the super unique En Rama Manzanilla from Sanlúcar de Barrameda, if it's Spanish we're absolutely there! However, we get that—to the uninitiated—that that might be overwhelming, so, whilst our Drinks Menu is packed full of real treats for those that want to take a deep dive, we totally understand that that might not be for everyone, so, we thought we'd start our Drinks Menu with a wee shortcut to some of our absolute favourites!

As with the Tapas Menu, if at any point you need a hand, please don't hesitate to ask, we're always more than happy to chat about our drinks!

Vino de la Casa...House Wine!

Why should our House Wine be the cheapest plonk we can find, we asked ourselves?! We've worked closely with the Navajas family of Navarette in La Rioja Alta & the Eguizábal family of Bodegas Franco-Españolas in Logroño for over 12 years now and—not only—do we trust their winemaking skills implicitly, but, these three wines are excellent examples of what a Rioja should be, that also out perform their price point dramatically!
