In our Allergen Index below, for your reference, we have outlined the constituent parts of all our dishes and exactly where individual allergens are present in those dishes.

** Please note that whilst every effort is taken to prevent cross contamination of allergens across dishes, due to the diversity of ingredients used in our kitchen, we can not guarantee that all dishes are entirely allergen free and trace amount can still remain **

** Please note that although Peanuts are not used in our kitchen, any dishes containing nuts could also contain traces of peanuts **
